Dear Suzuki Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

What is the reason for this notice?
Suzuki Motor Corporation has decided that a defect that relates to motor vehicle safety exists in all 2006 and certain 2007 model year VZR1800/Z (M109R) motorcycles. According to our records, you are the owner of one of these affected VZR1800 (M109R) motorcycles.

What is the problem?
Suzuki Motor Corporation has determined that on some affected motorcycles, the fuel hose that connects the two metal fuel delivery pipes mounted on the throttle body may have been clamped at a location on the pipes that is not completely round, which could allow fuel leakage to occur. In the presence of an ignition source, leaked fuel can cause a fire, presenting the risk of injury or death.

⚠️ WARNING

DO NOT OPERATE YOUR AFFECTED 2006 or 2007 VZR1800/Z (M109R) MOTORCYCLE

To minimize the risk of injury or death, do not ride, or allow anyone else to ride, your VZR1800/Z (M109R) motorcycle until this recall repair has been completed. We also recommend that you store your motorcycle in a well ventilated area away from any source of ignition (e.g. gas water heater, gas dryer etc.) until the recall repair has been completed.

What is Suzuki doing to solve the problem?
Your dealer will replace the fuel delivery pipe assembly. Repair time is approximately 1 hour and will be done at no cost to you for parts or labor.

How do I receive the fastest possible service?
Suzuki understands that your riding time is precious. Our suggestion is to work closely with your authorized Suzuki dealer to get your motorcycle’s recall service scheduled and performed as quickly as possible. Schedule an appointment for the recall service to be performed.

Parts are currently available but it will be necessary for your dealer to order the parts. It may be necessary to leave your motorcycle with the dealer overnight, so check with your dealer. When you pick up your repaired motorcycle, please allow a few extra minutes for your dealer to prepare and complete the necessary warranty paperwork with you.

If you have special circumstances, discuss them with your Suzuki dealer. Suzuki understands that some customers may have difficult circumstances to overcome in bringing their motorcycle to the dealership for repair. We have asked your Suzuki dealer to work closely and flexibly with you to arrange alternative, but reasonable solutions for your special requests. Please remember, however, that each dealership has its own limitations in providing special assistance due to staff size, available time, and dealership location. Your dealer can also consult with Suzuki on other alternatives.
